## **“China’s rise in a world in flux – how can we make ‘cooperative globalisation’ work for the benefit of all?”**

*China rises and goes global...the world responds, unevenly...globalisation under pressure in the West...hollowing out of the middle class, volatile societies and political and business consequences...taking steps for positive and concerted action.*

**Dinner and Roundtable discussion, 6 - 9:30pm, Thursday 3 August 2017**  
**King & Wood Mallesons, Level 61, Governor Phillip Tower, 1 Farrer Place, Sydney**
